LDA RCO Co-Founders are CCAR Recovery Coach Professional Facilitators and have the ability to facilitate any CCAR Training curricula. They demonstrate great coaching skills, maintain fidelity during the facilitation process, and maintain Recovery Coach Professional Designation to demonstrate continued professional development as a coach.

Training	How is it offered? (Virtual, in-person, both virtually and in-person?)	Minimum Participants	Maximum Participants	Length of time to complete this training (1 day? 3 weeks? 2 months?)	Associated Training Cost	Description
Recovery Coach Academy	In-person	10	40	5 days	\$850/person Nonprofits & multiple participants discount available up to 50% off	All CCAR trainings cost include NAADAC education credits and materials Recovery Coach Academy has become the most sought-after training programs for Recovery Coaches, those who provide peer support services to those in or seeking recovery from an addiction to alcohol and/or other drugs, or anyone who just simply wants to understand more about the recovery process.
Advanced Academy for Recovery Coaches	In-person	10	40	4 days	\$500/person	CCAR has designed a unique opportunity for experienced recovery coaches to come together to deepen their understanding of the foundational principles of recovery coaching. These essential skills, outlined in the CCAR Recovery Coach Academy®, are actively listening, asking good questions, discovering and managing our own stuff all while treating the recoveree as their own best resource.
Ethical Considerations for Recovery Coaches	In-person	10	40	16-hour training	\$300/person	This training is designed to help coaches, and anyone else working in the peer role, to understand how critical it is to be ethically responsible. Using presentations, small group work, and role play to address many areas including: defining the coaching service role and functions, coaching standards, issues of vulnerability, ethical decision making, performance enhancement and legal issues.
